Description of changes (attach additional sheets and exhibits if necessary):

We need to replace the roof over our home and breezeway. We are not removing the breezeway just replacing the roof! The barn roof will remain the same as it currently is. We had several leaks over this past winter and have discovered that our slate roof has failed. We had water damage to our interior walls and ceilings. They are presently being repaired at this moment.

We would like to change the current roof of slate to a Certaineed 30 year Landmark Woodscape Designer Architectural Shingle. The color would be Colonial. ^{slate} Please see the Lively Home for example.

Our hope is to receive approval from the commission ASAP due to the oncoming weather changes and season. Thank you.
