Description of changes (attach additional sheets and exhibits if necessary):

Request white picket fence to surround a propane storage tank at the rear of the property. Material will be wood, painted white. The fence will surround the tank on three sides: street, north, and south. The west side will be open. The fence will be mounted on 4x4 wood posts. The pickets of the fence will be 2.5" wide x 44" high spaced 2.75" apart. The fence will be mounted so that the top of the pickets will be as high or higher than the top of the tank (excluding the cowl).
