## Application for Certificate

### Instructions:

- Use separate applications for changes that are not related to each other.
- Include sketches or pictures showing design, sizes, colors, materials, etc. (a sketch is worth a thousand words).
- File five copies of the completed application at an HDC meeting; or mail, e-mail or give them to a commission member for filing at the next meeting.
- It is recommended that applicants attend the meeting or send an agent. Even well prepared applications generate questions and answering them quickly will avoid delays.
- Until the work is started, certificates expire if one year elapses or in case of sale. Once the work is started it must be completed diligently.
- If you have any questions, please contact the Commission.
