In accordance with the Royalston Historic District Bylaw, the Commission may waive a public hearing on an application for a Certificate of Appropriateness if the Commission determines that the impact of the alteration on the overall historic district would be insubstantial. The above case is currently under review for a Certificate of appropriateness. If *none* of the notified property owners requests a public hearing within ten (10) days from the date of mailing, the Commission may act upon the application without a public hearing.

If you do not desire a public hearing, no action of your part is required. If you desire a public hearing, please sign and return this notice to the Commission within ten days from the date shown above.
