Application for Certificate

Instructions:

- Use separate applications for changes that are not related to each other.
- Include sketches or pictures showing design, sizes, colors, materials, etc. (a sketch is worth a thousand words).
- File five copies of the completed application at an HDC meeting; or mail, e-mail or give them to a commission member for filing at the next meeting.
- It is recommended that applicants attend the meeting or send an agent. Even well prepared applications generate questions and answering them quickly will avoid delays.

Short description of the proposed changes. (Provide the details on page 2 and on additional sheets and exhibits as necessary).

This application is for maintaining our existing driveway. As most of you have noticed, we have a lake at the end of our driveway every time it rains. This hole gets a little deeper every year. We intend to fill the hole, then finish the whole existing driveway with the dense grade aggregate. See photo below for finish material.

Thanks very much for your time and consideration.
