Application for Certificate

Instructions:

- Use separate applications for changes that are not related to each other.
- Include sketches or pictures showing design, sizes, colors, materials, etc. (a sketch is worth a thousand words).
- File five copies of the completed application at an HDC meeting; or mail, e-mail or give them to a commission member for filing at the next meeting.
- It is recommended that applicants attend the meeting or send an agent. Even well prepared applications generate questions and answering them quickly will avoid delays.
- Certificates expire a) after one year if the work was not started and pursued diligently, or b) in case of sale.
- If you have any questions, please contact the Commission.

GAF Roofing Shingles

NEW!

Timberline®HDZ™ High Definition® Lifetime Shingles

New from GAF: Timberline® HDZ™ Shingles with the StrikeZone™ Nailing Area — the industry's widest nail zone. Proprietary LayerLock™ Technology mechanically fastens the common bond of the shingle, allowing for an expanded and highly visible nailing zone.

- Timberline-HDZ has the exact same look, size and exposure as Timberline HD and will be replacing Timberline HD in the marketplace.
- Timberline HDZ and Timberline HD shingles to the same color and sourcing plant are compatible and can be installed on the same roof.
