Description of changes (attach additional sheets and exhibits if necessary):

We need to replace the roof over our home + woodshed. The Barn roof will remain the same as it currently is. we had several leaks over this past winter and have discovered that our shingles have failed.

we would like to change the shingles from the current 3-tab slate blend to a Certainteed 30 year Landmark Woodscape Designer Architectural Shingle. The color would be Colonial Slate. Please see the display for the color.

Thank you.

* - most closely matches current roof.
