Application for Certificate

Instructions:

- Use separate applications for changes that are not related to each other.
- Include sketches or pictures showing design, sizes, colors, materials, etc. (a sketch is worth a thousand words).
- File five copies of the completed application at an HDC meeting; or mail, e-mail or give them to a commission member for filing at the next meeting.
- It is recommended that applicants attend the meeting or send an agent. Even well prepared applications generate questions and answering them quickly will avoid delays.
- Certificates expire a) after one year if the work was not started and pursued diligently, or b) in case of sale.
- If you have any questions, please contact the Commission.

There will be a second identical panel in the space (mirror image). One 4x4 post on the outside edge of each panel, nothing in the middle. The fence panels themselves are 7 feet 8 inches, so adding the 4x4 post on the end of each will make it 16 feet.

The hardware for the gates will be in the back and not visible from the front.
