

*Royalston Historic District Commission*

October 24, 2002

The meeting was called to order at 7:20 p.m. by Chairman John Divoll. Members in attendance were John, Bob, Brenda, Peter, Jason, Jodie. Dick joined the meeting at 7:40.

The committee reviewed the application from the Town to re-roof the fire/police building. Jason made a motion to approve the application, Brenda seconded the motion. All voted in favor, with the exception of Peter, who abstained from voting.

The committee reviewed the application from the Stowell's, asking to install a fence on their properties. Questions were answered by the Stowell's builder. Brenda made a motion to approve the application. Peter seconded the motion. All voted in favor, with the exception of Bob, who abstained from voting.

The minutes of the last meeting were read. Bob made a motion to accept the minutes. Jason seconded the motion, and the motion carried.

Peter asked whether or not the Commission had received the sketches of the remaining views of Gene Cauthen's building. John stated that he had received them the following day, after the last meeting.

Peter asked about the signs. Brenda stated that there has been no communication from Poet's seat, so we seem to be back to square one. Jason stated he knows someone in Templeton, who may be able and willing to do the job. Jason will be given a copy of the plans to show to the person.

Peter stated that he was contacted by a woman who bought the Carbone house. She is rebuilding the house on Deland Road, and was looking for information on the house. Peter referred her to Patience Bundschuh.

The Commission discussed the Town Dump road sign on the common. The feeling among the members is that "Town Dump Road" doesn't sound very nice, and the original name of "Old County Road" sounds much better. Dick made a motion to ask Selectmen to put an article on the next Town Meeting requesting that the name of that road be changed back to the original. Bob seconded the motion, and the motion carried.

Brenda made a motion to hold a public hearing on Andy West's application on November 21, at 7:00 followed by the regular meeting of the H.D.C. Bob seconded the motion and the motion carried.
