Meeting Minutes

Date: November 30th, 2012

Attendees: Peter Kraniak (Chair), Andy West, Clarence Rabideau, Pierre Humblet (Secretary). All were active voters.

At 7:40 PM Peter opened this special meeting convened to process an urgent application by the Royalston Selectmen to construct an annex to the Town Hall to house an elevator and stairs.

The members spent a considerable time studying the application and the attached drawings. They found the application to be complete and in good order, except for missing details about the windows. They also drew a list of secondary construction details they would like to learn more about and they will submit it to the Selectmen.

Pierre motioned to accept the application for consideration and to convene a Public Hearing on December 18 at 7:30 PM. Andy seconded. All voted in favor.

Pierre then motioned to change the date of the regular December meeting from December 20th to December 18th. Andy seconded. All voted in favor.

The members then continued completing the list of questions and suggestions. An item of concern is that it is not coherent to use synthetic trim when the siding is wood.

Meeting adjourned

Pierre made a motion to close the meeting. Clarence seconded. It was unanimously approved. Peter closed the meeting at 9:17 PM.

Respectfully submitted,
