

Royalston Historic District Commission

Royalston, Massachusetts, 01368

Meeting Minutes

Date: September 19, 1996

Attendees: Peter Kraniak, John Poor, Patience Bundschuh, Rick Carrier, and Andy West.

Meeting called to order at 8:00 PM

Dispensed with the reading minutes from the ^{August}~~July~~ meeting as they were not available.

Dispensed with old business to discuss the NYNEX application as the NYNEX representative was in attendance. Application #8-90 was previously approved for two telephone equipment cabinets to be located where the police station now stands. The newly proposed location is at the south end of the fire station near the power lines. NYNEX offered to plant shrubbery around the cabinets per the Commission's recommendation. After discussion, John Poor moved for approval, Patience Bundschuh seconded. The application was unanimously approved as certificate #9-96. The Commission members thought it best to wait until the cabinet was in place before making a recommendation about plantings. There was agreement that the plants should be of a variety native to that location.

Andy West resubmitted an application from Charles Fisher for the recovering of his porch roof. Andy West by way of a phone call to Charles Fisher had amended the application to include details that were previously missing. John Poor objected strongly to the practice of amending application by proxy and left the meeting. This dissolved the quorum and the meeting was adjourned at 8:30 p.m.

Andrew J. West,
Chairman
